

Important Customer Notice: USPS First-Class Mail Delays

The United States Postal Service (USPS) recently implemented new service standards for delivery of First-Class mail. This change increases delivery times by an additional 1-2 days.

To avoid these delays, enroll in DSB Internet Banking to take advantage of Mobile Deposit, Bill Pay, and e-Statements. You can also use our Internet Banking platform to set up auto transfers for loan payments.

If you absolutely **MUST** mail out a check to pay a bill or a loan, make sure to send these out *several days* before the due date to avoid late fees in case of delays.

If you have any additional questions, please contact your local DSB branch.
