NOTE: Please give the DSB Marketing Department a two week notice on all marquee requests. Requests that do not allow two weeks may not appear on the selected message board. Also, we sometimes experience high-volume times with requests. This may result in your message not appearing on the DSB marquees. DSB provides its marquees for the use of advertisements supporting nonprofit organizations only. Time and use is not guaranteed. Approved messages will only run on the marquees in the town or neighboring towns where the event will take place.
